

Water Systems ~ Planning & Funding for Your Future

FREE Workshop Event (in Mount Vernon)
Monday, November 15, 2010
Time: 3 PM – 5:30 PM

Trainers will be:

Jennifer Kropack & Richard Rodriguez, DOH
TBD, USDA – Rural Development

Please register at:

DW.NWRO@doh.wa.gov

With your name, system name, phone number, and email address

Or return the bottom of this form to:

DOH: Office of Drinking Water - NWRO
20435 72nd AVE S STE 200
Kent WA 98032-2358

****We need a minimum of six water systems to hold the event.**

We especially encourage Board Members to attend! Once registered, you will receive location address, map, and directions.

Goals of Training are to help you:

1. Create a component inventory, budget, reserves, and rates.
2. Be aware Rural Development of USDA has money to lend rural* and non-profit water systems, and their criteria for getting it.
3. Summarize the DOH, ODW SRF \$\$ loan program.
4. Create a successful future for your water system.
