

Code of Ethics of Whidbey Island Water Systems Association As Approved by the Board of Directors on June 5, 2025.

It is the policy of the Whidbey Island Water Systems Association and the responsibility of each Board Director to ensure that the organization operates in conformity with applicable laws, fully and fairly discloses the organization's financial condition to its members in compliance with applicable accounting principles and laws, and maintains the organization's reputation for providing accurate educational information to its members and the public at large. Each Board Director is responsible for promptly reporting to the entire Board any circumstances that such Director believes in good faith may constitute a violation of this policy.
